28th October 1957]

SRI S. B. ADITYAN : **Arising out of the question relating to the enquiry into the affairs of the former Inspector-General of Police, I request that under Rule 39 of the Assembly Rules, half an hour debate may be allowed, as the report runs to 46 pages**

MR. SPEAKER : **In view of the No-Confidence motion that will be discussed for two days from today, the hon. Member who desires to refer to the enquiry as also others who disapprove of the Government's action in other matters are entitled to discuss those things under the No-Confidence motion.**

Questions are over.

II.—MOTION EXPRESSING WANT OF CONFIDENCE IN THE MINISTRY.

MR. SPEAKER : I have received notice of a No-confidence motion from the hon. Member, Sri K. R. Nallasivam, disapproving the action of the Government with regard to the Police firing in Ramanathapuram district. In view of the fact that the House is going to discuss Sri M. Kalyanasundaram's motion of No-confidence, I rule Sri Nallasivam's motion out of order. I do not give him permission to move it.

The hon. Member, Sri T. L. Sasivarna Thevar also has given notice of motions expressing want of confidence in the present Ministry and disapproving the policy of the present Ministry in connection with the Police action in Ramanathapuram district. The hon. Member is entitled to raise these issues during the discussion on Sri Kalyanasundaram's motion. Therefore, I rule his motions also out of order.

III.—ADJOURNMENT MOTIONS

(1) RAMANATHAPURAM INCIDENTS.

MR. SPEAKER : The hon Member, Sri N. K. Palanisami has given notice of the following motions, dated 25th September 1957 to adjourn the House to discuss urgent matters of public importance, viz.—

" (1) that the House be adjourned to discuss an urgent matter of public importance, viz., the failure of the Government in not taking prompt steps to avert communas clashes in the Ramanathapuram district;

(2) that the House be adjourned to discuss a matter of urgent public importance, viz., the failure of the Government to order a judicial enquiry into the police firings in Ramanathapuram district in September 1957."

[Mr. Speaker] [28th October 1957

As the subject-matter of these motions can be discussed during the debate on Sri Kalyanasundaram's motion, I rule them out of order.

Then, Sri K. Sattanatha Karayalar has also given notice of an adjournment motion, viz.—

"that this House stands adjourned to discuss the serious situation that prevails after the police firings in Ramanathapuram district."

I disallow this for the same reasons for which I have disallowed the previous motions.

(2) VIOLENT SPEECHES OF SRI E. V. RAMASWAMI NAICKER, LEADER OF THE DRAVIDA KAZHAGAM.

MR. SPEAKER: I have also received notice of an adjournment motion from Sri T. S. Ramaswami Pillai to discuss a definite matter of urgent public importance, viz.—

"the situation arising out of the violent speeches of Sri E. V. Ramasamy Naicker, the Leader of the Dravida Kazhagam, at Tiruchirappalli on 18th October 1957."

I do not see why this should not be discussed when we take up the No-confidence motion of Sri M. Kalyanasundaram. In view of the ample scope the No-confidence motion provides, I do not permit the moving of the adjournment motion. I rule it out of order.

II.—MOTION EXPRESSING WANT OF CONFIDENCE IN THE MINISTRY—*cont.*

MR. SPEAKER: Now, I would request Sri Kalyanasundaram to move his motion. I would like to make one or two observations before he does so. I have allotted two days for the discussion of his motion by the House. Well, if Members feel that two days will be enough, well and good. But if in the course of the discussion today and to-morrow, it is found two days will not do, I am prepared to allow some time more on the third day also. This being a very important subject, I do not propose to put any time-limit on the speeches. But I should request hon. Members to make them as short as possible and not to repeat the same arguments unnecessarily. My last appeal would be this. We are going to discuss a very, very important matter and in the course of the discussion, there is bound to be much heat and also difference of opinion. My only appeal is that we should discuss the subject dispassionately, keeping the level of debate very high.

SRI K. VINAYAKAM: On a point of information, Sir. Arising from what you have just now said, Sir, if hon. Members repeat the same points or if there are unnecessary, non-utilitarian and redundant arguments, will the Chair be pleased to pull up the Members and call them to order?
